

CURRICULUM VITAE

CAROL A. DAHL

Office: Mineral and Energy Economics Phone/Fax: 1-303-273-3921/(. . .-3416)
Division of Business and Economics (EB) E-Mail: cadahl@mines.edu
Colorado School of Mines (CSM) Citizenship: USA
Golden, CO 80401

EDUCATION

1977–Ph.D. in Economics, University of Minnesota, Minneapolis, Minnesota, Thesis Advisor, Christopher A. Sims, Nobel Laureate in Economics

1969–B.A. (with distinction) in Economics, University of Wisconsin, Madison, Wisconsin

EMPLOYMENT AND PROFESSIONAL AFFILIATIONS

Adjunct Professor, Energy and Mineral Economics Program, Colorado School of Mines, Golden Colorado, Fall: 2014, 2017, 2018, 2019, 2020, 2021, 2022

Visiting Professor (1 month per year), Department of Business Administration, Technology and Social Sciences, Luleå University of Technology, Sweden, 2015-2017.

Senior Fellow, Payne Institute for Public Policy, 2015-date, CSM, Golden, CO

Adjunct Professor (1-2 months per year teaching Energy Economics), Chinese University of Petroleum, Beijing (CUPB), 2014-2020.

Professor Emeritus, Mineral and Energy Economics, 2014-date, CSM, Golden, CO

Professor of Mineral and Energy Economics, 1991-2013, CSM, Golden, CO

Director of CSM/IFP Joint International Program in Petroleum Economics Management, 1995-2010, CSM

Acting Director, Division of Economics and Business, 2007-2008, CSM, Golden, CO

Associate Professor of Economics, 1983-1991, Louisiana State University, Baton Rouge, LA

Assistant Professor of Economics, 1980-1983, University of Wisconsin, Milwaukee, WI

Assistant Professor of Economics/Research Scientist, 1979-1980, University of Michigan, Ann Arbor, MI

Assistant Professor of Economics, 1977-1979, Wayne State University, Detroit, MI

Assistant Professor of Economics, 1976-1977, Illinois State University, Normal, IL

SCHOLARSHIPS, FELLOWSHIPS, GRANTS, CONTRACTS, AND AWARDS

2021 Contract as subject matter expert to help evaluate government ministries and entities for the UAE Sheikh Khalifa Government Excellence Program, Abu Dhabi (remote) July 26 - October 7, 2021.

2020-2021 Contract as subject matter expert to help evaluate government ministries and entities for the Dubai Government Excellence Program, Ongoing by remote meetings from August 26, 2020-February 20, 2021.

2018 Contract as subject matter expert to help evaluate government ministries and entities for the UAE Sheikh Khalifa Government Excellence Program, Abu Dhabi October 11-21.

2017 Contract as subject matter expert to help evaluate government ministries and entities for the Abu Dhabi Government Excellence Program, Abu Dhabi, UAE, September 26-October 8.

2017-2022, Honorary Professor, Centre for Energy, Petroleum and Mineral Law and Policy University of Dundee, Scotland.

2016, Contract as subject matter expert to help evaluate government ministries and entities for the Sheikh Khalifa Government Excellence Program, Abu Dhabi, October 13-22.

2013, Received the *Outstanding Contributions to the Profession Award* from the International Association for Energy Economics for contributions to the field of Energy Economics and its literature awarded at the 36th Annual International Associations for Energy Economics at Daegu, S. Korea, June, 16-20, 2013.

2010, Received *Adelman-Frankel Award* from the United States Association for Energy Economics for unique and innovative contributions to the field of energy economics awarded at the 29th Annual North American CAEE/USAE/IAEE Conference, October 14-16, Calgary, Canada

Jan. 3 – May 31, 2010, Secured to the U.S. Energy Information Administration, Department of Energy with an Interpersonnel Agreement to continue work on model inputs and development for the International Energy Outlook in the International Economic and Greenhouse Gas Division, Office of Integrated Forecasting and Analysis, Washington D.C

Nov. 1, 2009-February 28, 2010, "Review and Critique of Elasticities Used in the World Energy Projections Plus Model" for U.S Energy Information Administration, Department of Energy, Office of Integrated Forecasting and Analysis, Washington D.C. administered by Addx Corporation, Alexandria, VA 22311

Jan. 5 – June 19, 2009, Secured to the U.S. Energy Information Administration, Department of Energy with an Interpersonnel Agreement to work on model inputs and development for the International Energy Outlook in the International Economic and Greenhouse Gas Division, Office of Integrated Forecasting and Analysis, Washington D.C.

Apr., 2007, Contract, "What Goes Down Must Come Up: A Review of the Factors behind Increasing Gasoline Prices, 1999-2006" for the American Petroleum Institute

July 2006, Technical Review of the propane and heating fuel modules for the Short Term Energy Forecasting Model, U.S. EIA/DOE

2006, Second most cited paper published in *Energy Economics* and sixth most cited paper in *Energy Economics*, *The Energy Journal*, *Energy Policy*, and *Resources and Energy Economics* from 1979-2005. "Editorial," *Energy Economics* 28(4): 405-409

2005, On Technical Review Panel for U.S. EPA Second Generation Climate Model

2004, Contract, "Energy Demand Modeling," Saudi Aramco

2004, On Technical Expert List for U.S. Fulbright Program, July, 2004-June, 2009

2000, Fifth most cited paper published in *Energy Economics* from 1979-1999. "Editorial," *Energy Economics* 22(1): 1-8

1998, Received a *Senior Fellow Award* for distinguished service in the field of energy economics and/or the U.S. Association for Energy Economics (USAE) awarded at the 20th Annual North American Conference of the USAE/IAEE, Orlando, FL, August 29-September 1.

September, 1997-Technical Review of Report "Oil Marketing" by Innovation & Information Consultants, Inc. for Mineral Management Service, U.S. Department of Interior, Denver, CO

June, 1997-Travel funding to present "Evolution of the US Natural Gas Industry in Response to Changes in Transaction Costs" presented to the Alaska Alliance and International Association for Energy Economics, Alaska Chapter at the University of Alaska, Anchorage Alaska, June 16, 1997

May 1995-Contract "A Survey of Econometric Estimates of Natural Gas Demand Elasticities: Implications for Natural Gas Substitution in New Zealand" for Professor James L. Sweeney, Stanford University

October, 1993-Contract "Natural Gas Interfuel Substitution in the Commercial, Industrial, and Residential Sector for Selected Countries" for Professor James L. Sweeney, Stanford University

Spring Semester, 1993-Principal investigator-"A Survey of Energy Demand Elasticities in Support of the Development of the NEMS" for United States Department of Energy contract De-AP01-93EI23499

March, 1993-Contract-"Long Run Price Elasticities for Three Major Oil Products for Eight World Regions" for ARCO Oil and Gas Company

Summer, 1992-Support as a Visiting Scholar from the Institute D'Economie et de Politique de L'Energie, Laboratoire du Centre National de La Recherche Scientifique, Grenoble, France

Summer, 1991-Subcontract Evaluating US EIA/DOE Natural Gas Data Collection Forms, Battelle Pacific Northwest Laboratories, Richland, WA

Summer, 1990-Support as a Visiting Scholar from the Department of Economics, University of Gothenburg, Gothenburg, Sweden

1988/89-Principal Investigator, "Oil and Gas Model for the State of Louisiana," Center for Energy Studies Faculty Pass-Through Program Grant from the Center for Energy Studies, Louisiana State University, Baton Rouge, LA

Summer, 1988-Travel Support to visit the Central Bureau of Statistics and Fridtjof Nansen Institute from the Central Bureau of Statistics, Oslo, Norway

Summer, 1988-Travel and summer support as a Visiting Scholar at Department of Applied Economics, Cambridge University, Cambridge, England and the Department of Economics, University of Gothenburg, Sweden from the Swedish Transport Institute and University of Gothenburg

Summer, 1988-Travel support to present a paper at the Third Annual North Sea Conference of the British Institute of Energy Economics, London, England, June 27-28, 1988, from the British Institute of Energy Economics

Summer, 1987-Partial Support as a Visiting Research Scholar from the International Institute of Applied Systems Analysis, Laxenburg, Austria

Summer, 1986-Summer Research Grant-Modeling the Norwegian Troll Contract, Norwegian Central Bureau of Statistics, Oslo, Norway

Summer, 1986-Travel Grants from Center for Energy Studies, Louisiana State Univ. for Asian Energy Conferences and from the Fridtjof Nansen Institute for presentation in Oslo, Norway

Summer, 1985-Research Grant-"The Efficiency of Energy Product Markets." from Louisiana State University, Baton Rouge, LA

Summer, 1985-Travel Grant for China Delegation, Center for Energy Studies, Louisiana State University, Baton Rouge, LA

Summer, 1983-Co-author-Research Grant "Impact of the Yamal Soviet Gas Pipeline on Western Europe's Energy Cost," University of Wisconsin, Milwaukee, WI

Summer, 1978-Research Grant for "An Econometric Model of Refinery Supply" Wayne State University, Detroit, Michigan

1975-76-Resources for the Future-Thesis Fellowship-"Demand for Gasoline"

1975-Summer Internship-U.S. Federal Energy Administration-"Demand for Gasoline."

1968-69-Wisconsin Legislative Scholarship, University of Wisconsin, Madison, WI

1965-66-Tuition Remission Scholarship, University of Wisconsin, Madison, WI

Summer, 1963 – U.S. NSF, Science Training Program, University of Wisconsin, Madison, WI

SHORT COURSES, VISITING PROFESSOR, RESEARCH SCIENTIST, SCHOLAR, AND INTERNSHIPS

1. Taught course "Energy Economics (distance course)" as an Adjunct Professor, Academy of Chinese Energy Strategy (ACES), Chinese University of Petroleum, Beijing (CUPB), April 28 – July 15, 2020. (Remote format)
2. Taught course "Energy Economics" as an Adjunct Professor, Academy of Chinese Energy Strategy (ACES), Chinese University of Petroleum, Beijing (CUPB), March 18 – April 15, 2019.
3. Taught course "Energy Economics" as an Adjunct Professor, Mineral and Energy Economics Program, Colorado School of Mines, Fall 2014, Fall 2017, Fall 2018, Fall 2019, Fall 2020 (mixed in person and remote, Fall 2021, Fall 2022).
4. Taught course "Energy Economics" as an Adjunct Professor, Academy of Chinese Energy Strategy (ACES), Chinese University of Petroleum, Beijing (CUPB) and at the Chinese University of Petroleum, Karamay, April 22-May 25, 2018.
5. Taught course "Energy Economics" as an Adjunct Professor, Academy of Chinese Energy Strategy (ACES), Chinese University of Petroleum, Beijing (CUPB), May 15-29, 2017.
6. Taught course "Energy Economics and International Energy Markets" for Nanjing University of Aeronautics and Astronautics Summer Lecture Program, Nanjing, China, July 4 - 15, 2016.
7. Taught course "Energy Economics" as an Adjunct Professor, Academy of Chinese Energy Strategy (ACES), Chinese University of Petroleum, Beijing (CUPB), March 6-31, 2016.
8. Taught course "Energy Economics " as a Visiting Professor, Department of Business Administration, Technology and Social Sciences, Luleå University of Technology, Sweden, Jan 21-February 22, 2016.
9. Taught course "Energy Economics" as an Adjunct Professor, Academy of Chinese Energy Strategy (ACES), Chinese University of Petroleum, Beijing (CUPB), April 22-May 22, 2015.
10. Taught short course "Energy Economics" and worked on related training videos for Saudi Aramco, Dhahran, Saudi Arabia, December 15, 2014 to January 15, 2015.
11. Taught short courses on "Topics in Energy Economics" and "Energy and the Environment," Chinese University of Petroleum, Beijing, China, March 30-May 30, 2014
12. Taught a short course on "Topics in Energy Economics" at the Chinese University of Petroleum in Beijing June 1-14, 2013
13. Series of lectures on Energy Economics and International Energy Markets, King Abdullah Petroleum Studies and Research Center, Dhahran, Saudi Arabia, May 5 - May 21, 2012.
14. Taught a short course on Energy Economics and International Energy Markets at the Mongolian University of Science and Technology, Ulan Bator, Mongolian, Feb. 13, 2012.

15. Co-Director of and presenter at the Interactive Workshop Seminar 31, Contemporary Challenges of Economics and Management in Oil & Gas Industry, Petroleum Engineering Summer School organized by University of Zagreb, Faculty of Mining, Geology, and Petroleum Engineering and the Inter-University Centre, Dubrovnik, Croatia, June 6-11, 2011. Presented "Managing On The Margin: Energy Market Structure With Implications For Management," "Economics Of Environmental Policy In Energy Industries: Cleaning Up Their Act," and "Managing Risk Using Futures And Option"
16. Visiting Professor, Department of Economics, King Saud University, Riyadh, Saudi Arabia. March 5-April 22, 2011, May 15-June 4, 2011, May 20- June 19, 2012.
17. Taught a short course on Energy Economics at Energy Studies Institute, National University of Singapore, March 2-4, 2011.
18. Lecture series on Energy Economics at Nanjing University of Aeronautics and Astronautics, August, 2010.
19. Taught a short course on Energy Economics, University of Witwatersrand, Johannesburg, South Africa, July 2010.
20. Taught a short course, "Building Brazilian Global Leadership in Energy from Oil and Gas to Bio Fuels," São Paulo, Brazil, June 23-24, 2010
21. Visiting Scholar, Instituto de Eletrotécnica, Universidade de São Paulo, Brazil, June 11-July 4, 2010
22. Taught a short course on Energy Economics at Energy Studies Institute, National University of Singapore, July 13-17, 2008
23. Taught a short course on Energy Economics, Kiev School of Economics, Kiev, Ukraine, March 7-21, 2008
24. Visiting Scholar, United Arab Emirates University Al Ain, worked on research and participated in a proposal to develop an Energy Institute for UAE and made presentations, April, 2006
25. Visiting Scholar, Institute for International Energy Studies, National Iranian Oil Company, Tehran, Iran, Jan. 22, 2006-March 21, 2006. Taught course and short course in energy economics
26. Visiting Scholar, Department of Economics, George Washington University and Intern U.S. Department of Energy, Office of Policy and International Affairs, Washington, DC Jan. 30-July 31, 2004
27. Visiting Scholar, Department of Economics, University of Aberdeen, Aberdeen, Scotland, June 19-July 3, 2002
28. Visiting Scholar, Kazakhstan Institute of Management, Economics, and Strategic Research, Almaty, Kazakhstan, Feb. 23-May 14 and June 21-July 2, 1999. Taught environmental economics and energy economics
29. Visiting Scholar, Department of Economics, Laval University, Quebec, Canada, April 24-June 11, 1998
30. Visiting Scholar, Department of Applied Statistics and Computations, University of the Andes, Merida, Venezuela, Jan. 12 – Feb. 20, 1998. Taught a course Energy Economics
31. Visiting Scholar, Business School, University of Alaska – Anchorage. May 23-June 17, 1997

32. Visiting Scholar, Economic Research Centre, University of W. Australia, Nedlands, Perth, W. Australia, June 4-July 10, 1993
33. Visiting Scholar, Institute D'Economie et de Politique de L'Energie, Laboratoire du Centre National de La Recherche Scientifique, Grenoble, France, May 26-July 21, 1992
34. Visiting Scholar, Canadian Energy Research Institute, Calgary, Alberta, Canada. June 3-July 6, 1991
35. Visiting Scholar, Energy Lab, Massachusetts Institute of Technology, Cambridge, MA. Aug. 24 – Dec. 21, 1989
36. Visiting Scholar, Oxford Institute for Energy Studies, Oxford University, Oxford, UK. Jan. 22-June 2, 1990 and Aug.7 – Aug. 15, 1991
37. Visiting Scholar, Department of Operations Research, Stanford University, Stanford, CA. April 2-June 15, 1989
38. Visiting Scholar, Department of Applied Economics, University of Cambridge, Cambridge, England. May 20-June 20, 1988
39. Visiting Scholar, Department of Economics, University of Gothenburg, Gothenburg, Sweden. July 9-Aug. 16, 1988 and June 23-Aug. 9, 1990
40. Visiting Scholar, Fridtjof Nansen Institute, Oslo, Norway. Aug. 8-15, 1987
41. Visiting Scholar, International Institute of Applied Systems Analysis, Laxenburg, Austria, June 15-July 31, 1987
42. Visiting Scholar, Norwegian Central Bureau of Statistics, Oslo, Norway, June 15-August 30, 1986 and Aug. 1-Aug. 7, 1987
43. Visit. Assistant Professor of Economics and Research Scientist, Highway Safety Research Institute, U. of Michigan, Ann Arbor, MI, 1979-1980.
44. Summer Internship, 1975 U.S. Federal Energy Administration, Washington, DC

COURSES TAUGHT

Large and small lectures of Introductory Macroeconomics and Statistics; Principles of Microeconomics; Intermediate classes in Statistics, Macroeconomics, and Microeconomics; Graduate Applied Microeconomics, Undergraduate and Graduate Econometrics; Undergraduate and Graduate Energy Economics; Undergraduate and Graduate Natural Resources, Undergraduate and Graduate Mathematical Economics, Undergraduate Environmental Economics, Ph.D. Research Philosophy, History of Economic Thought

RESEARCH INTERESTS:

Energy Economics and Modeling, International Energy Markets

2. Dahl, Carol A. (2023) Status of Economic Policy Enabling CCUS in the Energy Transition presented to King Fahd University of Petroleum and Minerals, Dhahran, Saudi Arabia, Feb. 16.
3. Dahl, Carol A. (2023) What Do We Know About Electricity Demand Elasticities with Implications for the Future? Presented at the 44th International Conference of the International Association for Energy Economics, Riyadh, Saudi Arabia, Feb. 4-8.
4. Dahl, Carol A., Chuxuan Sun, and Jingzhou Wang (2022). "Carbon Capture and Storage Projects, Policy, and Supporting Economic Models. Presented at the United States/International Association for Energy Economics, 39th North American Conference, Oct 24-26, Houston, TX. (<http://dahl.mines.edu/DSW22.pdf>)
5. Chaired three sessions and was a judge in the best student paper contest (2022). 43rd International Association for Energy Economics International Conference, Tokyo, Japan, Jul. 31-Aug. 4.
6. Dahl, Carol A., Chuxuan Sun, and Jingzhou Wang (2022) CCUS: Surveying Where We Have Been and Where We Are Going: Projects, Policies, Progress and Price. Presented by Chuxuan Sun, 64th Annual Western Social Science Association Conference, Mar. 30-Apr. 2, Denver Colorado.

7. Dahl, Carol A., Chuxuan Sun, and Jingzhou Wang (2021) CCUS: Surveying Where We Have Been and Where We Are Going: Projects, Policies, Progress and Price. United States/International Association for Energy Economics, 38th North American Conference (virtual). Nov. 1-2. (<http://dahl.mines.edu/DSW21.pdf>)
8. Dahl, Carol A. (2020) "How Will the Biden Presidency Change the Course of US Energy and Climate Policies?" presented at the 2nd World Energy University Network Webinar "invited presentation to The Economics and Policies of Global Energy Transition" sponsored by the Centre for Energy, Petroleum and Mineral Law and Policy University of Dundee, Scotland.
9. Dahl, Carol A. and Magnus Erickson (2020) "Introduction," *Mineral Economics: Raw Material Report*, Special Issue John Tilton's 80th Birthday, 33 (1-2), 1-2.
10. Dahl, Carol A. and Magnus Erickson (2020) Co-editors for *Mineral Economics: Raw Material Report*, Special Issue John Tilton's 80th Birthday, 33 (1-2).
11. Media interview with wallethub.com, July, 2020, <https://wallethub.com/edu/energy-costs-by-state/4833/#expert=carol-a-dahl>.
12. Organized and chaired Plenary Session (2019) "Paths to a Sustainable Future" at United States/International Association for Energy Economics, 37th North American Conference. Denver, CO, November 3-6.
13. Dahl, Carol A. and Lindon Belshe (2019) "The Effect of Subsidy Removal on Gasoline and Diesel Fuel Consumption and Carbon Emissions" presented at 42nd conference of the International Association for Energy Economics, Local Energy, Global Markets, Montreal, Canada, May 29-June 1.
14. Dahl, Carol A. and Ensieh Shojaeddini (2019) "Is Diesel Demand as Price and Income Elastic as Gasoline Demand?" presented at 42nd conference of the International Association for Energy Economics, Local Energy, Global Markets, Montreal, Canada, May 29-June 1.
15. Dahl, Carol A. (2019) "The Shale Gale: Recent Developments in North American Natural Gas Markets presented to School of Economics and Management at Chinese University of Petroleum, Qingdao, China, April 1.
16. Dahl, Carol A. and Yang Bai (2018) "Managing the U.S. Strategic Petroleum Reserve (SPR): Can We Do Better?" 41st IAEE International Conference June 10-13 in Groningen, The Netherlands.
17. Dahl, Carol A. (2018) "The Shale Gale: Recent Developments in North American Natural Gas Markets. Presented at Southwest University of Petroleum Sechuan, China, May 2.
18. Dahl, Carol A. (2017) "Oil Product Demand: Where Have We Been and Where Are We Going?" United States/International Association for Energy Economics, 35th North American Conference. Houston, TX, November 12-15.
19. Abdulbaqi, Dana, Carol A Dahl and Mohammed AlShaikh, (2017) Enhanced Oil Recovery (EOR) as a Stepping Stone to Carbon Capture and Sequestration (CCS), Energy Policy Research Conference, Page, Utah, September. 7-8 (presented by Dahl).
20. Co-Editor on a Special Issue of *The Energy Journal*, 36 (Special Issue 1), "Is The Genie Back in the Bottle? Papers In Honor of M. A. Adelman," Published January 2016.
21. "Energy and Development: Climbing the Energy Ladder," invited talk presented to the Global Energy Forum, November 4-6, 2015, Lima Peru.
22. "World Oil Markets" invited talk to the Economics Group, Osinergmin (The Peruvian Energy Regulatory Agency), Lima, Peru, November 12, 2015,
23. On International Advisory Board, Economics Group, Department of Business Administration, Technology and Social Sciences, Luleå University of Technology, January 2015-2021.
24. Power for Africa 1 LED at a time" presented at the Energy Africa Conference 7th Annual Conference & Business Symposium, Colorado School of Mines, Golden, CO, November 13-14, 2014.
25. "Energy Market Models" invited presentation to Chevron Fellows Mentoring Excellence in Technology Conference, Pasadena, CA, October 30, 2014.
26. "Money and Power," Radio Interview for Blastercast, Colorado School of Mines Broadcasting

Club, aired September 23, 2014. Available at <http://blastercast.libsyn.com/dr-carol-dahl-019-money-and-power>.

27. "Energy Markets Past, Present, Future" presented to the Energy and Environmental Group, Chinese Academy of Science, Beijing, China, May 21, 2014
28. "The Shale Gale: Recent Changes in North American Oil and Gas Markets" presented to the College of Economics and Management, Nanjing University of Aeronautics and Astronautics, Nanjing, China May 12, 2014, to the School of Management, Chinese University of Mining Technology, Xuzhou, China, May 16, 2014, and to the Business School, Chinese University of Petroleum, Beijing, May 20, 2014.
29. "North American Oil and Gas Markets: Their Past and Their Potential" presented to Oman Ministry of Oil and Gas, Muscat, Oman, March 24, 2014.
30. Opponent on the Ph.D. thesis, *Five Essays Relating to Environmental Issues* by Anna Widerburg, Department of Economics, University of Gothenburg, Gothenburg, Sweden, June 13, 2012.
31. Co-editor on "Modelling Transport (Energy) Demand and Policies," Special Section of *Energy Policy*, 41, February, 2012.
32. Organizing committee and session chair, "Hot Topics in Energy Modeling," at the 12th annual IAEE/ASSA annual meeting to be held in Denver, Colorado, January 4-8, 2011.
33. External Examiner for Fatemeh Nazifi, "Linkages Among Carbon and Energy Markets, Ph.D. candidate, MacQuarie University, Sydney, Australia, 2011.
34. Presentation "Econometric Energy Demand Elasticities: A Walk Down Memory Lane Calgary," presented at the 29th Annual North American CAEE/USAEI/IAEE Conference, October 14-16, Calgary, Canada.
35. Presentation "Demand Factors Shaping Long-Run Price Paths (Elasticities)," Forum on Oil Price Determinants, sponsored by the Energy Modeling Forum (EMF), Stanford University and King Abdullah Petroleum Studies and Research Center (KAPSARC) at Resources for the Future, Washington, D.C., September 16-17, 2010.
36. Presentation "Bridges to Energy Sustainability: Funds and Fuels?" to Leadership Class, Curtin Business School, Curtin University, Perth, Australia, July 29, 2010.
37. Presentation "Why Economists Love Demand Elasticities with Applications in Energy Markets?" to Department of Economics, Curtin University, Perth, Australia, July 27, 2010.
38. Presentation "Is Natural Gas a Bridge to Sustainability?" to CEDA Trustees Breakfast, Graduate School of Business, Curtin University, Perth, Australia, July 26, 2010.
39. "Will 20TH Century Energy Resources Fill 21st Century Energy Needs," presented to Camara Americana de Comércio, São Paulo, Brazil, July 1, 2010.
40. "Oil and Gas Educational Options and Ideas," presented to Programa de Pós-Graduação em Energia da USP-PPGE São Paulo, Brazil, June 2, 2010.
41. Organizing Committee, "Energy Security for Renewables and Non-renewables," at the 11th annual IAEE/ASSA annual meeting, Atlanta, GA, January 3-5, 2010.
42. External Examiner for Raymond Li, Ph.D. candidate, MacQuarie University, Sydney, Australia, 2009.
43. "Will 20TH Century Energy Resources Fill 21st Century Energy Needs," presented at Energy and Environmental Conference, Las Vegas, Nevada, October 29, 2008.
44. Presentations on International Energy Markets at Workshop on International Energy Markets to promote the publication of the Croatian version of my book. Zagreb, Croatia, October, 16, 2008.
45. Chair of Economics Sub-committee, Member committee on Understanding the Impact of Selling the U. S. Helium Reserve, Division on Engineering and Physical Sciences, Board on Physics and Astronomy, National Academy of Science, May 2007-June, 2009.
46. Al Qahtani and Carol Dahl (2008) "A Model For The Global Oil Market: Optimal Oil Production Levels For Saudi Arabia," 32st International IAEE Conference, Bridging Energy Supply and Demand: Logistics, Competition and Environment. Istanbul, Turkey, June 18-20.
47. Chair for session "Continuous Flux of Events – Oil Price Forecasting" at the Thirty-Fifth International Energy Conference *Volatility Is the Norm: Challenging Conventional Energy*

Assumptions Sponsored by the International Research Center for Energy and Economic Development (ICEED), Boulder, Colorado, April 21-23, 2008.

48. Organized and chaired session "Hot Topics in Energy Modeling," at the 10th annual IAEE/ASSA annual meeting in New Orleans, Louisiana, January 4-8, 2008.
49. "Will 20th Century Energy Resources Fill 21st Century Energy Needs?" invited to be one of two keynote speakers, at the VII Seminario Internacional en Análisis y Mercados Energéticos (Energy Market Seminar), Medellín, Colombia, Nov. 29-30, 2007 (Travel was sponsored by the World Bank and local expenses paid by the National University of Colombia).
50. "Methods in Energy Modeling" invited presentations to the Diplomado in Economía Energética Universidad Nacional – UPME (Colombian Government National Energy and Minerals Planning Commission), Bogota, November 30, 2007.
51. "Will 20th Century Energy Resources Fill 21st Century Energy Needs," invited presentation at the South African Institute of Mining and Metallurgy in Johannesburg, South Africa, July 31, 2007.
52. Session Chair, "The Energy Situation in China and India." *Can OPEC's Power Expand?* 28th International Area Conference by the International Research Center for Energy and Economic Development. Boulder, Colorado, April 17-18, 2007.
53. "Gasoline Demand Elasticities," presented to EIA Energy Outlook: Modeling Data Conference, Washington D.C., March 28, 2007.
54. Organized and chaired session "Recent Topics in Energy Economics," 9th Annual International Association for Energy Economics/Allied Social Science Association, Chicago, January 5-7, 2007.
55. "Natural Gas Price Elasticities" Carol Dahl, Mark Chung, and Anna Pechatnikov, presented to Gas Forecasters Forum sponsored by the Southern Gas Association, Albuquerque, October 16-18, 2006.
56. "Optimal Expansion of the World Liquefied Natural Gas Market" Olaya, Yris, Alexander Newman, and Carol Dahl, International Symposium for Mathematical Programming, Rio de Janeiro, Brazil, July 31, 2006. (presented by Alexandra Newman)
57. "Will 20th Century Energy Resources Fill 21st Century Energy Needs," presented to
Department Economics, Imam Sadig University, Tehran, Iran, 1/20/06.
Department Economics, United Arab Emirates University (UAEU), Al Ain, 4/16&5/1/05
Executive Seminar, Business School, Ajman University, UAE, 2/23/06.
Department Economics, Petroleum Institute, Abu Dhabi, UAE, 4/25/06.
UAEU and Abu Dhabi, Chamber of Commerce, Abu Dhabi, UAE 5/1/06
58. "Energy Demand Elasticities" presented to Department Economics, UAEU, Al Ain, Abu Dhabi, 4/22/06.
59. Solar Village Workshop, Orissa, India. March 18-19, 2006.
60. Organized session "Recent Topics in Energy Economics and Energy Modeling," for 8th Annual International Association for Energy Economics/Allied Social Science Association Meeting, Boston, MA, January 6-8, 2006.
61. "Energy Demand Elasticity Progress Report," presented to Saudi Aramco, January 2, 2006.
62. Workshop on the "World Petroleum Market" conducted for OSINERG, The Peruvian Energy Regulatory Commission, Lima Peru, November 23-24, 2005.
63. "Energy Demand Elasticities-Fact or Fiction: A Survey Update" National Energy Renewable Laboratory, Washington, D.C. November 10, 2005.
64. "Energy: Will 20th Century Sources Satisfy 21st Century Needs," Viva Summer Seminars, University College, University of Denver, August 4th, 2005.
65. Conference co-chair 25th Annual North American Conference for the USAEE/IAEE "Fueling the Future: Prices, Productivity, Policies, and Prophecies." September 18-21, 2005.
66. Session Chair for "Development and Sustainability," at the Thirty Second International Energy Conference on Global Energy Supply: Proven, Probable and Potential sponsored by The International Research Center for Energy and Economic Development (ICEED), Boulder,

Colorado, April 17-19, 2005.

67. "Strategies for Tracking Chinese and Indian Oil Demand " invited presentation to Oil Demand Workshop, Petroleum Market Analysis Department, OPEC Secretariate, Vienna, Austria, March , 25, 2005.
68. Organized session "Volatility in Energy Markets" for 7th Annual US/IAEE/ASSA Meeting Philadelphia, Pennsylvania, January 6-8, 2005.
69. Session Chair for "Japan's Oil and Gas Imports – Past and Future," at the Thirty First International Energy Conference sponsored by The International Research Center for Energy and Economic Development (ICEED), Boulder, Colorado, April 20, 2004.
70. Member of the Second Generation Model Advisory Panel for the U.S. Environmental Protection Agency's Science Advisory Board. Nov. 2004 – Jan. 2006.
71. Sanders, Jeffrey and Carol Dahl (2004) "Natural Gas Demand Elasticities in Storage Dependent Northeastern U.S. Natural Gas Markets, in *Energy, Environment and Economics in a New Era*, 24th Annual North American Conference of the (USAEE/IAEE), Washington, D.C. July 7-10.
72. "Oil Market Modelling Strategies " invited presentation to Oil Demand Workshop, Petroleum Market Analysis Department, OPEC Secretariate, Vienna, Austria, June 7-8, 2004.
73. Member Committee for a Study of the Long-term Viability of Fuel Taxes for Transportation Finance, Transportation Research Board, National Research Council, Washington D.C., August 1, 2003-August 1, 2005.
74. Attended 26st Annual International Conference of the International Association for Energy Economics, Prague, Czech Republic, June 4-7, 2003.
75. Opponent on the Ph.D. thesis, "Analysis of Mining Investments in Zimbabwe," by Ronald Chifamba, Department of Economics, University of Gothenburg, Gothenburg, Sweden, June 13, 2003.
76. Organized and chaired session "Recent Topics in Energy Economics and Energy Modeling," for 5th Annual International Association for Energy Economics/Allied Social Science Association Meeting, Washington, DC, January 5-7, 2002.
77. Session Chair for at the Twenty-Ninth International Energy Conference on Risk and Uncertainty: Challenges and Opportunities for the Energy Sector. Sponsored By: The International Research Center for Energy and Economic Development (ICEED), Boulder, Colorado, April 21-23, 2002.
78. Dahl Carol A. and Balazs Nagy (2002) Leading Edge Information Technologies for Energy Industries, Presented at the 25st Annual International Conference of the International Association for Energy Economics, Aberdeen Scotland, June 27-29.
79. Opponent on the Ph.D. thesis, "Essays on the Performance of Fire and Rescue Services," by Henrik Jaldel, Department of Economics, University of Gothenburg, Gothenburg, Sweden, June 11, 2002.
80. Organized and chaired session "Recent Topics in Energy Economics and Energy Modeling," for 4th Annual International Association for Energy Economics/Allied Social Science Association Meeting, Atlanta, Georgia, January 4-6, 2002.
81. Opponent for Bo Jonsson's Ph.D. Dissertation, "Natural Gas in the Asia Pacific Region and the Japanese Electricity Market," Luleå Technical University, Luleå, Sweden, May 31, 2001.
82. Best Student Paper Committee, International Association for Energy Economics, 1999, 2000, 2001, 2002.
83. Filled in as Session Chair for an Econometrics Society Session at Allied Social Science Association Meeting, New Orleans, Louisiana, January 4-7, 2001.
84. Organized and chaired session "Recent Topics in Energy Economics and Energy Modeling," for 3rd Annual International Association for Energy Economics/Allied Social Science Association Meeting, New Orleans, Louisiana, January 4-7, 2001.
85. Participated in a Delphi Experiment conducted by Rand Corporation for Department of Energy, August and September, 2001.
86. Organized session "Topics in Energy Economics and Energy Modeling," for the 2nd Annual International Association of Energy Economics/Allied Social Science Association Meeting,

Boston, Massachusetts, January 7-10, 2000.

87. Session Chair for "The New Balance of Private and Public Interests in the Restructuring of the Petroleum Industry: A European View" At the Twenty-First International Area Conference on National Oil Companies: Trends and Priorities, 2000-2010. Sponsored By: The International Research Center for Energy and Economic Development (ICEED), Boulder, Colorado, April 18-19, 2000.
88. On program committee for 20th Annual Meeting of the American Association for Energy Economics, Orlando, Florida, August 29-September 1, 1999.
89. Organized and chaired session "Energy and the Macroeconomy" 1st Annual International Association for Energy Economics/Allied Social Science Association meeting, New York, January 3-6, 1999.
90. Session Chair at the 22nd Annual International Conference of the International Association for Energy Economics," Rome, Italy June 9-12, 1999.
91. On program committee and Session Chair "Comparative Experiences in Electricity Deregulation," 21th Annual International Meeting of the International Association for Energy Economics, Quebec City, Canada, May 13-16, 1998.
92. On program committee and Session Chair "Comparative Experiences in Electricity Deregulation," 21th Annual International Meeting of the International Association for Energy Economics, Quebec City, Canada, May 13-16, 1998.
93. Chaired a session for 3 CSM graduate students at the Western Economics Association Meeting on "Energy Modeling," March 1998.
94. Had a day of visits February 26 arranged by the US Information Service, US Embassy in Paramibo, Surinam at Department of Economics, University of Surinam and Surinam National Oil Co.
95. Presented "US Energy Policy Past and Present and Its Implications for Venezuela," International Business School, Caracas, Venezuela. Feb 2, 1998 and University of Central Venezuela, Caracas, Venezuela, Feb 3, 1998 arranged by United States Information Service, US Embassy in Cararas, Venezuela.
96. Press Interview – *Economia Hoy* on current world oil market, Feb. 3, Caracas, Venezuela arranged by United States Information Service, US Embassy in Cararas, Venezuela.
97. Working-luncheon at CEDICE (Centro de Divulgación del Conocimiento Económico) – a business group promoting free enterprise in Venezuela. Caracas, Venezuela, attended and reported by the press, Feb 4 arranged by United States Information Service, US Embassy in Cararas, Venezuela.
98. "Forecasting Energy Demand" presented to CIED, PDVSA, the economic research group for the Venezuelan National Oil Company, Feb 4, 1998, Caracas, Venezuela arranged by United States Information Service, US Embassy in Cararas, Venezuela.
99. Presented "Energy Demand in Developing Countries," University of Zulia, Maracaibo, Venezuela, Feb 6, 1998, attended and reported by the press, arranged by the United States Information Service, US Embassy in Cararas, Venezuela.
100. "Energy Demand Modelling Survey," key note speaker at the Nordic Energy Demand Modelling Workshop, University of Gothenburg, Gothenburg Sweden, Oct 9-10, 1997.
101. Opponent on the Ph.D. thesis "Production of Coffee and Food Products in Uganda," by Mulugeta Yilma, Department of Economics, University of Gothenburg, Gothenburg, Sweden, June 3 1996.
102. Television interview on U.S. gasoline markets, Ch. 9, Denver, CO, May 1996.
103. "Evidence on Demand Elasticities-Modelling Results," Presented at the North American Natural Gas Workshop, Canadian Energy Research Institute, Calgary, Canada. March 11-12, 1996.
104. Presentation "Welfare Effects of Energy Price Subsidies" at the Conference "Evaluating Energy Subsidies: Informing Today's Policy Choices" sponsored the US Department of Energy and the US Environmental Protection Agency, September, 1995.

105. Opponent on the Ph.D. thesis "Energy Use in Peruvian Industry" by Luis Cabeza Vega, Department of Economics, University of Gothenburg, Gothenburg, Sweden, June 1, 1994.
106. "U.S. Energy Policy," presented to the Tasman Institute, Melbourne, Australia, July 20, 1993.
107. "OPEC Behavior Since 1973" presented to Institute D'Economie et de Politique de L'Energie, Grenoble, France, June 15, 1992.
108. "Modeling OPEC Behavior" presented at the CSM, February 8, 1991.
109. "Analyzing the Effect of Coordinated Global Environmental Policies on Transport Fuel Demand and Carbon Emissions," presented at the meeting of the European Association of Environmental and Resource Economists, Stockholm School of Economics, June 11-14, 1991 and at the International Energy Workshop at the International Institute of Applied Systems Analysis, Laxenburg, Austria, June 18-20, 1991 and at the International Symposium on Economic Modelling, University of London, July 9-11, 1991. (joint and presented by Thomas Sterner and Mikael Franzen).
110. "Dynamic Modeling and Testing of OPEC Behavior," presented at the Middle Eastern Economic Association Meetings, Dec. 28-30, 1990, Washington, D.C.
111. "Preliminary Draft of a Survey of Energy Demand Elasticities for Developing Countries and their Implications for the Future," presented at the American Economic Association Meetings, Dec. 28-30, 1990, Washington, D.C.
112. "Spatial Modeling of Energy Markets: Algorithms and Applications" presented to the Department of Economics, University of Osnabrück, Osnabrück, W. Germany, June 4, 1990.
113. "U.S. and World Oil Production and Production Costs in the 1980's" presented at the International Energy Seminar, The Johns Hopkins Foreign Policy Institute, Washington D.C., Nov. 28, 1989.
114. "Preliminary Report on a Cost Benefit Study of Mandated Ethanol Gasoline Blends" presented at the Southern Economic Association Meeting, Orlando, FL. Nov 19-21, 1989 and to the Allied Social Science Meeting, Atlanta, GA. Dec 27-29, 1989. (joint with and presented by David Bradford).
115. "Dynamic Analysis of an Oil Import Fee for the U.S.," presented at the Association of Environmental Economists annual meeting at the Allied Social Science Convention, New York, December 1988. (joint with Mine Yücel).
116. "Spatial Modeling of a North Sea Gas Price," presented at the Third Annual North Sea Conference of the British Institute of Energy Economics, London, England, June 27-28, 1988.
117. "OPEC Market Behavior," presented to The Southern Economic Association Annual Meeting, November 1988, San Antonio, TX. and to the Econometrics Seminar, Department of Economics, University of New Hampshire, Durham, NH, Nov 10, 1989. (joint with Mine Yücel).
118. "Spatial Equilibrium Models: Energy Market Applications," Presented to the Energy and Environmental Systems Division at Argonne National Laboratory, Argonne, IL., May 16, 1988.
119. "Spatial Simulation of the Effect of a Nuclear Moratorium on European Natural Gas Markets to the Year 2000 Using a Two Commodity Model" presented to the Association of Environmental and Resource Economists at the Annual Allied Social Science Convention, Chicago, Dec. 28-30, 1987.
120. "The Availability of Coal Resources and Reserves," Presented by K. Graves at the Ninth International Meeting of the International Association for Energy Economics, Calgary, Canada, July 6-8, 1987. (joint with E. H. Pechan and K. Graves)
121. Member of an Energy Delegation from the Central Bureau of Statistics of Norway to the Organization of Oil Exporting Countries, Vienna, Austria, June 19, 1987.
122. Participated in the International Energy Workshop, June 16-18, 1987, Laxenburg, Austria.
123. "Simulating the Troll Contract in a Two Good Spatial Model" presented to: 1.)-The Central Bureau of Statistics, Oslo, Norway, May 25 1987; 2.)-The UN Natural Gas Symposium, on the Prospects for Natural Gas in the ECE to the Year 2000, Warsaw, Poland, May 27, 1987; 3.)-Neste Oy, the National Energy Company of Finland, Helsinki, Finland, June 10, 1987; 4.)-The International Institute for Applied Systems Analysis, Laxenburg, Austria, July 16, 1987; and 5.)-

- The Royal Ministry of Petroleum and Energy, Oslo, Norway, August 13, 1987.
124. Chairperson for Session 37, "Studies of Energy Demand" at the Eighth Annual North American Conference of the International Association of Energy Economists, Cambridge, MA, Nov. 19-21, 1986.
 125. Discussant and presented paper "Simulating the Troll Contract in a Two Good Spatial Equilibrium Model," presented to Workshop on Natural Gas, Krager, Norway, August 27-29, 1986, sponsored by Statoil.
 126. "The Effect of Troll Gas on European Energy Markets," presented to Fridtjof Nansen Institute, August 26, 1986, Oslo, Norway.
 127. Discussant and panel member in Workshop on Energy Planning in South and Southeast Asia, Bangkok, Thailand, May 30-June 3, 1986.
 128. Opponent on the Ph.D. thesis "Energy Use in Mexican Industry" by Thomas Sterner, Department of Economics, University of Gothenburg, Gothenburg, Sweden, January 17, 1986.
 129. "Demand for Gasoline," presented to the Department of Economics, University of Gothenburg, Gothenburg, Sweden, January 15, 1986.
 130. "Demand and Supply of Petroleum Products," presented to Statens Energiverk, Stockholm, Sweden, January 14, 1986.
 131. Member of a delegation of energy specialists to the Peoples Republic of China, June 20-July 11, 1985 sponsored by the China Energy Research Society of the China Association for Science and Technology in conjunction with the International Association of Energy Economists and the Citizen Ambassador Program of People to People International.
 132. Chaired the session on "Industrial Applications of Econometrics: Automobile Demand" at the 4th International Forecasting Symposium, London Business School, London, England, July 8-11, 1984.
 133. "Energy Modeling: The State of the Art," presented at the 4th Forecasting Symposium, London, England, July 8-11, 1984.
 134. "Impact of the Soviet Gas Pipeline on Western Europe's Energy Costs: Econometric Estimates," presented at the American Economic Association Meetings, San Francisco, CA., Dec. 27-30, 1983.
 135. Participant in OPEC Downstream Workshop, sponsored by the East West Center, Honolulu, Hawaii, February 22-27, 1983.
 136. "Topics in Gasoline Demand," presented to Oak Ridge National Laboratory as a visiting research scientists, June 25, 1981.
 137. Television interview with WISN, Milwaukee, Wisconsin, on energy topics, November 3 and November 11, 1980.
 138. "Do Gasoline Demand Elasticities Vary?" presented to Los Alamos Scientific Laboratory as a visiting research scientist, September 25, 1980.
 139. Discussant at the Eastern Economic Association, Fourth Annual Convention, April 27-29, 1978.
 140. "Consumer Adjustment to a Gasoline Tax," presented to the American Statistical Association, Detroit Chapter, Detroit, Michigan, March 22, 1978.

PH.D. THESES ADVISED OR CO-ADVISED

1. Akimaya, Muhammad (2017) "The Economics of Gasoline Subsidy Cost Reduction Policy," Ph.D. Thesis, Mineral and Energy Economics Program, CSM, Golden, Colorado. (co-adviser)
2. Anouti, Yahya (2015) "Reforming Fossil Fuel Subsidies in Hydrocarbon-Rich Countries: The Case of Transport Fuels in Saudi Arabia." Ph.D. Thesis, Mineral and Energy Economics Program, CSM, Golden, Colorado. (co-adviser)
3. Kar, Durga Prasad (2010) "The Lowest Cost Electricity for a Poor Rural Village In India: Rural Grid Or Off-Grid SPV?" Ph.D. Thesis, Mineral and Energy Economics Program, CSM, Golden, Colorado.
4. Yusgiantoro, Luky (2010) "Dynamic Optimal Natural Gas Allocation for the Indonesian

- Domestic and Export Markets," Ph.D. Thesis, Mineral and Energy Economics Program, CSM, Golden, Colorado.
5. Dagher, Leila (2009) "Analysis of Sectoral Electricity and Natural Gas Demand at the Utility Level." Ph.D. Thesis, Mineral Economics Program, CSM, Golden, Colorado. (co-adviser).
 6. Al Qahtani, Ayed (2008) "A Model for the Global Oil Market: Optimal Oil Production Levels for Saudi Arabia" Ph.D. Thesis, Mineral Economics Program, CSM, Golden, Colorado. (co-adviser).
 7. Dossary, Nasser (2008) "Global Demand for Road Transport Fuels" Ph.D. Thesis, Mineral Economics Program, CSM, Golden, Colorado.

"Rationalizing Transport Fuels Pricing Policies and Effects on Global Fuel Consumption, Emissions, Government Revenues and Welfare," Working Papers 2014-01, Colorado School of Mines, Division of Economics and Business. <https://ideas.repec.org/p/mns/wpaper/wp201401.html>.
15. Yahya F. Anouti & Carol A. Dahl, 2018. "Rationalizing Transport Fuels Pricing Policies and Effects on Global Fuel Consumption, Emissions, Government Revenues and Welfare," Draft.

Colorado School of Mines, Division of Economics and Business. Under-revision for *The Energy Journal*.

16. Dahl, Carol A. and Tyler Hodge "Dynamic Conduct Parameter Model of Electricity Market Pricing Behavior in the California Power Exchange," Draft, Colorado School of Mines and U.S. Energy Information Administration. June 2012.

REFEREE

Review of Economics and Statistics, Econometrica, The Energy Journal, Journal of Macroeconomics, Scandinavian Journal of Economics, Applied Economics, European Economic Review, Public Finance Quarterly, Transportation Research Board, Resources and Energy, International Journal of Energy Systems, National Science Foundation Grants, Research Council of Canada Grants, Resources Policy, Southern Journal of Economics, Energy Policy, Research in Middle East Economics, Journal of Development Economics, Energy Studies Review, Journal of Transport Economics and Policy, Mineral Economics.

EDITORIAL RESPONSIBILITIES AND AFFILIATIONS WITH PROFESSIONAL ASSOCIATIONS AND NETWORKS

The Energy Journal: Editorial Board 1992–date,

Assistance Book Review Editor 2002-2009,

Book Review Editor, 2011-2017,

Senior Book Review Editor 2017-date

International Association for Energy Economics: Member, Senior Fellow (1999-date), United States Association for Energy Economics. Member, Former Council Member

INTERNATIONAL EXPERIENCE

Traveled to more than 140 countries and territories for both work and pleasure.

Last updated Jan. 15, 2023.
